### ***Campus Service***

*Honors Program Faculty Advisor, UCSD Psychology (2001-present)*

Advise and instruct undergraduate honors students in all phases of their thesis projects.

*Faculty Mentor, UCSD Faculty Mentor Program (2001-present)*

Advise and instruct underrepresented students in their independent research projects.

*Vice President, External Affairs, UCSD Graduate Student Association (2003-2005)*

Met frequently with student leaders from other UC campuses and elected officials (San Diego City Council, California State Assembly and Senate, US Congress and Senate) to promote higher education issues, such as preserving K-12 outreach programs and preventing fee increases. Performed outreach on UC campuses, including registering students to vote, recruiting and training students for Lobby Day visits, issuing press releases, and holding press conferences. Peer elected, volunteer position.

*Faculty Advisor, Summer Training Academy for Research in the Sciences (2002-2004)*

Mentored and supervised student research projects, presided over roundtable discussions. Undergraduate student nominated, volunteer position.

*Student Member, UC Office of the President Committee on Credit Cards (2004-2005)*

Served on an ad-hoc committee charged with reviewing campus policies regarding credit card companies soliciting students on campus. Peer elected, volunteer position.

*Chair, UC Student Assn. Graduate and Professional Student Committee (2004-2005)*

Developed action agenda for the year regarding issues affecting graduate and professional students across all UC Campuses. Agenda included: Lobbying elected officials to 1) prevent fee hikes, and thereby enabling academic departments to continue to admit graduate and professional students at the same levels during tight budget years, and 2) ensure that international students would not have their program of study disrupted due to increasingly strict visa requirements following the Patriot Act. Compile and present UC-wide statistics on the total cost of attendance to encourage the State to increase funding for graduate and professional students. Peer elected, volunteer position.

*Graduate Student Association Representative (2001-2002):*

Served as the main liaison between psychology graduate students and the Graduate Student Association, working to ensure that graduate student interests are represented campus-wide, including within the UCSD Academic Senate. Peer elected, volunteer position.

*Office of Graduate Studies and Research, Diversity Advisory Group, Member (2002-2004)*

Aided in the recruitment and retention of socially or economically disadvantaged students to increase diversity in the graduate student population at UCSD; served on panels to encourage underrepresented students to earn advanced degrees. Volunteer position.

*Student Member, Academic Senate Program Review (2000-2001)*

Reviewed new academic programs and course proposals. Peer elected, volunteer position.

*UC San Diego Office of Academic and Instructional Support, ESL Writing Tutor (1996-1997)*

Tutored students who speak English as a second language in their written work, primarily for their college's major writing courses. Employment position.

*UC San Diego Summer Bridge Program, Writing Facilitator (1996)*

Assisted in acclimating socially or economically disadvantaged incoming freshmen to the UCSD community to promote retention and increase the diversity of the student body. Employment position.

*UC San Diego Early Academic Outreach Program (1996)*

Counseled students and parents at a local high school regarding financial aid packages available for college and provided information regarding course preparation for UC attendance. Employment position.
